Independent Auditor's Report
To the Members of
UNIVASTU INDIA LIMITED
Report on the Financial Statements

We have audited the accompanying financial statements of **UNIVASTU INDIA LIMITED** which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fainties in order to design audit procedures that are

appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements

"Annexure B" to the Independent Auditor's Report of even date on the Standalone Financial Statements of UNIVASTU INDIA LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of UNIVASTU INDIA LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"].

Significant Accounting Policies

1. Basis of preparation

The company maintains its accounts on accrual basis following the historical cost convention in accordance with generally accepted accounting principles ("GAAP"), in compliance with the provisions the Accounting Standards as issued by the Institute of Chartered Accountants of India.

The financial statement are prepared under the historical cost convention on an accrual basis in accordance with the generally accepted accounting principles and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared in accordance with the GAAP under the historical cost convention on an accrual basis and comply in all material respects with the mandatory Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government in consultation with the National Advisory Committee on Accounting Standards. The accounting policies have been consistently applied by the company and are consistent with those used in the previous year.

2. Presentation and disclosure of financial statements

The presentation and disclosure of the financial statements have been made in accordance with the revised Schedule VI notified by the Central Government vide notification no. S.O 447(E), dated 28th February 2011 (as amended by notification no. F No. 2/6/2008-CL-V, dated 30th March 2011) which has become effective for accounting periods commencing on or after 1st April 2011. The adoption of revised schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However it has significant impact on presentation and disclosures made in the financial statements. The Company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

3. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

4. Fixed Assets

Tangible assets are stated at their original cost of acquisition including taxes, duties, freight, and other incidental expenses related to acquisition and installation of the concerned assets less accumulated depreciation and impairment losses, if any. Fixed assets are further adjusted by the amount of CENVAT credit and VAT credit wherever applicable and subsidy directly attributable to the cost of fixed assets. Interest and other borrowing costs during construction period to finance qualifying fixed assets is capitalised.

Subsequent expenditure related to an item of tangible asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

5. Depreciation and Amortisation

Depreciation has been provided on written down value method at the rates and in the manner as prescribed in Schedule of the Companies Act, 2013.

The cost and the accumulated depreciation on fixed assets sold or otherwise disposed off are removed from the stated values and resulting gain and losses are recognised in statement of profit and loss.

6. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

7. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a first-in-first-out basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty and is determined on a first-in-first-out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

8. Revenue Recognition

- a. Income from construction is recognised as determined by the project manager by taking into consideration actual cost incurred and profit evaluated and duly certified by the client. All other income are recognised and accounted for an accrual basis. Losses on contracts are fully accounted for as and when incurred. Foreseeable losses are accounted for when they are determined. Insurance claims are accounted for on cash basis. Price escalation claims and additional claims, which in the opinion of the management, are probable of resulting in revenue and are capable of being reliable measured, are recognised as revenue.
- b. Turnover represent work certified as determined by the project managers by taking into consideration the actual costs incurred and profit evaluated and duly certified by the client.
- c. Dividends are accounted for when the right to receive dividend is established.
- d. Income from interest on deposits, loans and interest bearing securities is recognised on time proportionate method.
- e. Share of profit/loss from firms, in which the company is a partner, is accounted for in the financial year ending on (or immediately before) date of the balance sheet.

9. Taxes on Income:

Current tax is determined on the basis of taxable income computed in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax is recognised, subject to the consideration of prudence in respect of deferred tax assected thing differences, being the difference between taxable income and accounting income that originate in one particular are capable of reversal in one or more subsequent periods.

Significant Accounting Policies

10. Foreign Currency Transactions

Foreign currency transactions on initial recognition in the reporting currency are accounted for at the exchange rates prevailing on the date of transaction.

Foreign exchange gain or loss, resulting on account of reinstatement of monetary items on the date of balance sheet using exchange rate as on the date of balance sheet is recognized as income or expense for the period.

11. Provision and Contingent Liabilities

Provisions are recognised when the company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date. Provisions are reviewed at each balance sheet date and adjusted to reflect current best estimates. A disclosure of contingent liability is made where there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources.

12. Impairment of Assets

The management periodically assesses, using external and internal sources whether there is any indication that an asset may be impaired. If an asset is impaired, the company recognises an impairment loss as an excess of the carrying amount of the asset over the recoverable amount.

13. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The number of shares and dilutive shares are adjusted by issue of bonus shares, if any.

14. Borrowing costs

Borrowing cost includes interest and other costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.
